19th Annual Meeting of the Gesellschaft für Biologische Systematik (GfBS)

First Circular

Vienna, Austria
11th to 14th February 2018

It is our pleasure to announce that the 19th Annual Meeting of the ,Gesellschaft für Biologische Systematik' will be hosted by the Institute of Palaeontology of the University of Vienna (Austria) at the Geozentrum (UZA II) and the Natural History Museum Vienna. We want to invite you into the world's most ,liveable' city and enjoy fruitful discussions, talks and posters concerning different fields of biological systematics but also adjoining disciplines.

Please save the date between the 11th to the 14th of February 2018.

Cathrin Pfaff

On behalf of the organization team
