Unfortunately, the link to the full article given at the end of the introduction on page 67 (Organisms Diversity and Evolution 6, 2006, 67–69) was incorrect.

The key, and more extensive descriptions and data on the newly validated as well as additional taxa, are presented in an accompanying Organisms Diversity and Evolution Electronic Supplement (<http://www.senckenberg.de/odes/06-01.htm>).

We apologize for any inconvenience caused.
